The Starting Line Tour is our way of introducing new members to the Chicago Region, Sports Car Club of America and how the hundreds of club volunteers staff various race tracks in support of club racing and professional racing. This is the road to “the best seat in the house”. You will be provided with an overview of a variety of volunteer areas, which we refer to as “specialties”. If you are interested in learning more about any specialty area, we will arrange for you to return to that specialty area in the afternoon for a one on one experience. There is a party at the end of the race day on Saturday and you are invited to attend (no cost).

The tour is limited to members, and proof of membership (by receipt or membership card) will be required. ***THERE IS NO COST FOR THE TOUR, AND LUNCH WILL BE PROVIDED !***
