

SCCA Minutes from Monday, September 10, 2007
Pompei Bakery, Lombard

1. Call to order – 7:29 by Pat Montelo
2. Minutes from August 13th – Moved to accept by Greg Meier and seconded by Bill Crawford
3. Treasures Report – Nothing to report Boonies on Vacation. Woo hoo!
4. New people – Nobody new tonight.
5. Old business –
 1. Event #3 event Review (Border Challenge) – Really tight course which drove better than it looked. Good showing, 128 drivers on Saturday.
 2. Event #4 at MGA (event started an hour later at 8:30) – Pat went up on Friday
 3. GASS series Labor Day weekend. Monday is TSSCC, Sunday is SCCA. GASS stickers were required at \$3.00 for a pair.
6. New Business –
 1. Event #4 at MGA event review – It was a great MGA course. It would have been great had there been no rain. Downfall was at the finish where you had to break really fast.
 2. GASS series event review (Event #5) – A few people hit the rev limiter a couple of times. The wiring for the timing boxes was run differently, allowing the truck to sit closer to the start. It was a little tough to hear when the loud cars came up, but was easily dealt with by shutting the windows. This could be something thought about for future events. We were able to do six runs for the day. It was great to share our site for the GASS series and still able to run the event like we normally would. Although, it is still a lot of work compared to a normal event.
 3. Event #6 Route 66, 9/16 – JP Johnson and Dan Liccardi will be chairing the event. TSSCC is running their event on Saturday.
 4. Goodguys Autocross Chicagoland Speedway 9/21-9/23 – The Tennessee autocross group wants us to help run there event on Friday and Saturday. Need to borrow our equipment. Looking for people from our club to come out and help out.
7. Announcements – Pictures for sale by Keith. Ryan Weddle's car might be running!!
8. Split Pot Drawing – No split pot drawing tonight.
9. Adjournment – At 8:03 by Greg Meier and Bill Crawford.
10. Good and welfare –
