

SCCA Solo Meeting Minutes – Monday, May 11, 2009
Pompei Bakery, Oakbrook Terrace, IL

1. Call to order - 7:08 by Ed Locke
2. Minutes from Monday, April 13 - Moved to accept by Bill Crawford and seconded by Erik Vandermey.
3. Financial Coordinator's Report – Nothing to report.
4. New people – None.
5. Old Business -
 - a. Learning Curve Review – 72 students. Far less than the 100 we were shooting for or the 85 that we budgeted for. The level of students that attended was way better than it was in the past. Thoughts for future....Make Sunday much more like a regular event, making sure the students drive after the instructor, and we need to try and make Saturday move along easier. Thank you to everybody who helped!
 - b. New equipment – The radios worked well. We need to get flags at the corner stations instead of stop signs and need to make sure that they are being held by one of the workers.
 - c. No event on May 31st possibly move to May 30 – more info to follow
 - d. Event #1 April 26th - Route 66, the Board will be chairing this event
 - e. Event Chairs needed for Event 4 on July 26th, Event 5 on August 23, and Event 6 on October 4. – Event 4, Erik Vandermey volunteered, anybody want to do it with him? Event 6, Dan Vehe, TJ Krause, and Tucker
 - f.
6. New Business -
 - a. Event #1 Review – attendance was good. 167 entrants and 6 runs! Good course, it rained in the beginning of the day. Maybe modify Learning Curve course to go along with this course. Lots of people running late, it says clearly on the all the fliers the start times. Radio batteries ran out, they might need to be changed out more often. There were also some computer issues and timing detector issues which held things up, all of which got fixed. Should split weekend registration off of the rest of registration to make it less crowded. Bill says it should be "less bad" at the next event. Remind corner captains that they need to attend the corner captain meeting right after drivers meeting and also to keep belongings away from the cones in grid so things don't get run over.
 - b. Event #2 Sunday, May 17 – Chairs John Paul Johnson and Donnie Bartalone -
 - c. Event #3 Saturday, May 30 – Chairs Dan Liccardi and Brian Regganie *schedule change* Sunday, May 31, changed to Saturday, May 30, still at Route 66.
 - d. Still need Chairs – Event 4, July 26, needs a co-chair with Erik Vandermey. Event 5, August 23, Aruch Poonsapaya and Dan Liccardi volunteer.
 - e. Writer and Pictures for Piston Patter News briefs – Tony Cambio volunteered to write some articles along with some help from Greg Meier. Everybody can help submit pictures!
 - f. Any interest in the proposed new supplemental class (STR)? – Not really.
7. Announcements – Everybody
8. Split pot drawing – \$18 from the split goes to Dan Vehe!
9. Adjournment – 7:38 by Chris Dvorak and Jen Liccardi.
10. Good and Welfare
